Your doctor may be using AI to record and transcribe consultations. This lets your doctor focus on your care. If you'd like to opt out of this service, please advise your doctor before your consultation.

***PLEASE SIGN: ……………………………………………………………………………………Date: ……………………………**

When you register as a patient of our practice, you provide consent for our GPs and practice staff to access and use your personal information so they can provide you with the best possible healthcare. Only staff that need to see your personal information will have access to it. If we need to use your information for anything else, we will seek additional consent from you to do this. This will not affect your medical care at our practice. You also consent to electronic communication ie SMS reminders. **(We use POLAR GP software to share de-identified information to our local primary health network to improve health services in the area. Please advise the Practice Manager if you do not wish for your information to be included) *
